

The Rock

Costs

£950 + Vat for The Rock with 2 operators. 11m Event Station (cover) is an additional £300 + Vat.

Power

1 x 13 amp power socket, we draw 13amps or 3Kva. If used with Event Station we require 2 x 13 amp power sockets, we draw 26 amps in total.

Access

The Rock is delivered by a Land Rover and Trailer, and therefore we need a wide access and height clearance of 14ft. Normally if you can drive a articulated lorry onto site, we can deliver The Rock.

Requirements

2 x 13 amp power sockets.

Storage

No storage required.
