

Coffee Printing Machine

Our new Coffee printing machine prints directly onto the froth of a latte, using a sepia tone which is made with coffee extract.

We can print Company logo's, messages or even selfies on site within seconds! Clients need to download the Ripples app to upload a selfie picture.

We have 3 options below to suit your event.

1. **Hired with one of our Coffee Offerings** (Espresso Tricycles, Standalone Espresso Stand)
£300 + Vat, up to 250 servings per day.
2. **Hire with Operator** (client to provide Coffee's/ Cups)
£690 + Vat, up to 250 servings per day.
3. **Dry Hire** including delivery with delivery within M25. (clients to provide Coffee's / Cups)..
Delivered, set up and client briefed. £560 + Vat, up to 250 servings per day.

We require artwork before the event, and travel outside the M25 is charged at £1 + Vat per mile.

On site we need Wi-fi and 1 x 13 amp socket – we draw 2000 watts. Pints cups up to 11cm wide.
