ice cream

Our love affair with ice cream tricycles started back in 2008 with our 1930's Burgundy and Cream tricycle.

They are so popular that we now have five ice cream tricycles all of which prove hugely popular at every type of event. We work closely with Oddono's Gelati Italiani who concoct stunning natural Italian gelato for us, freshly made, using natural ingredients from around the world. We have yet to taste anything better!

The *ice cream* tricycle

All our stunning ice cream trikes come with a choice of 9 delicious flavours as standard.

Pick from a range of over 50 wonderful options from Oddono's Gelateria, including fresh gelato and creamy sorbets. We also offer a choice of waffle cones; plain, chocolate dipped and chocolate dipped in sprinkles and compostable tubs/spoons.
